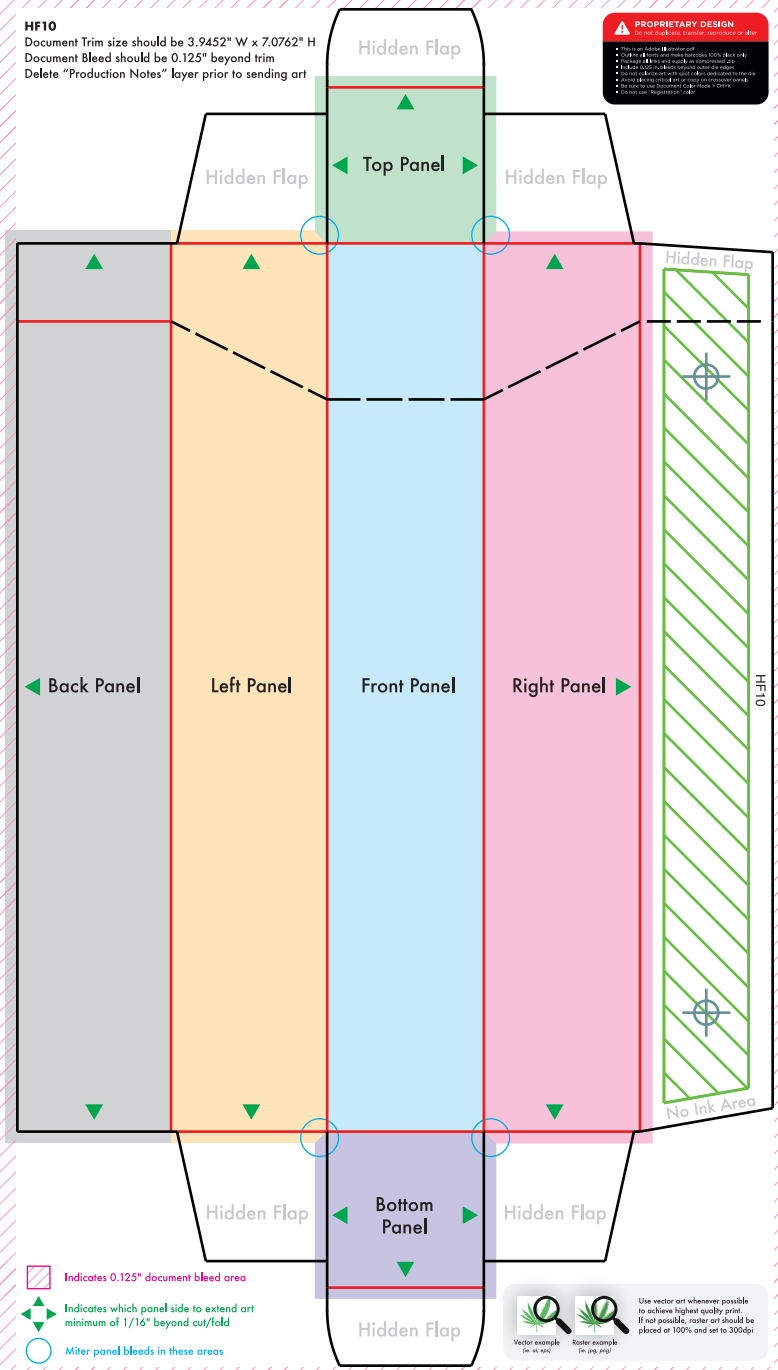
PROPRIETARY DESIGN
Do not duplicate, transfer, reproduce or alter
- This is an Adobe Illustrator pdf
- Color mode is CMYK and all colors are 100% K ink only
- Document and links and fonts are contained pdf
- Include LIVE cut lines beyond outer die edges
- Do not rasterize art with spot colors dedicated to the die
- Avoid placing critical art or copy on crossover panels
- Be sure to use Document Color Mode = CMYK
- Do not use "Registration" color



Indicates 0.125" document bleed area

Indicates which panel side to extend art minimum of 1/16" beyond cut/fold

Miter panel bleeds in these areas

Vector example (ex. ai, eps)

Raster example (ex. jpg, png)

Use vector art whenever possible to achieve highest quality print. If not possible, raster art should be placed at 100% and set to 300dpi
