

PROPRIETARY DESIGN
Do not duplicate, transfer, reproduce or alter

- This is an Adobe Illustrator pdf
- Outline all fonts and make barcodes 100% black only
- Package all links and supply as compressed .zip
- Include 0.125 in. bleeds beyond outer die edges
- Do not colorize art with spot colors dedicated to the die
- Avoid placing critical art or copy on crossover panels
- Be sure to use Document Color Mode > CMYK
- Do not use "Registration" color

HF15
Document trim size should be 29.935" W x 11.7184" H
Document Bleed should be 0.125" beyond trim
Delete "Production Notes" layer prior to sending art

 Indicates 0.125" document bleed area

 **Vector example**
(ie. ai, eps)

 **Raster example**
(ie. jpg, png)

Use vector art whenever possible to achieve highest quality print. If not possible, raster art should be placed at 100% and set to 300dpi
