- This is an Adobe Illustrator pdf
- Outline all fonts and make strokes 100% black only
- Package all links and supply as compressed zip
- Include 0.25 in. bleeds beyond outer die edges
- Do not colorize art with solid colors dedicated to the die
- Avoid placing critical art or copy on crossover panels
- Be sure to use Document Color Mode = CMYK
- Do not use "Registration" color

Vector example
(ie. ai, eps)

Raster example
(ie. jpg, png)

Use vector art whenever possible to achieve highest quality print.
If not possible, raster art should be placed at 100% and set to 300dpi
